Honorable Mayor and City Council  
City of Canadian  
Canadian, Texas

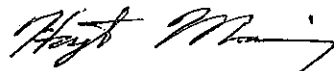

Dear Honorable Mayor and City Council:

In accordance with Texas Civil Statutes, I respectfully present the budget for the City of Canadian as approved by the Canadian City Council on August 29, 2016. The budget beginning October 1, 2016, and ending September 30, 2017, provides for total revenues of \$6,599,120.00 and total expenditures of \$7,719,050.00. \$1,120,313.00 of Water and Sewer Fund reserves are expected to be utilized to offset a projected deficit of this amount in the Water and Sewer Fund, which is primarily attributable to the completion of the Wastewater Treatment Plant reconstruction project. The 2016 certified net taxable value of property in the City of Canadian is \$143,519,520.00. The ad valorem tax rate as established by the Council for FY 2016-2017 is \$0.628650 per \$100 of assessed valuation. Sales Tax revenue decreased by 37.57% year-over-year. An additional 25% decrease has been factored into this 2016-2017 budget.

Major projects undertaken by the City of Canadian during FY 2015-2016 included the completion of the initial phases of the wastewater treatment plant reconstruction project, and the Comprehensive Planning project. The primary focus of the FY 2016-2017 budget year will be infrastructure improvements including the possibility of paving and curb and gutter projects with the participation of property owners, should funds be available, in the Meadows Addition and on 10<sup>th</sup> Street north of Kingman Avenue. The Wastewater Treatment Plant reconstruction project is expected to be completed during FY 16/17. Application has been made in the 2017-2018 CDBG program for a water line replacement project in the Giraud and 5<sup>th</sup> Street area. The City of Canadian's application is expected to be competitive this grant cycle. Routine maintenance of streets and alleys continue to be a priority and the 17<sup>th</sup> Street and Willard area should be closely monitored for further deterioration. Consideration should be given to the trash collection rates in an effort to curtail the deficit in the Sanitation Fund. As presented, the FY 2016-2017 Annual Budget provides for all City of Canadian services at existing or improved levels.

The City of Canadian staff is dedicated to operating within the limits outlined in the FY 2016-2017 budget. We look forward to the challenges and successes that will present themselves throughout the upcoming year. It is our goal to provide a level of service that exceeds the expectations of the citizens whom we serve.

Respectfully submitted,

Hoyt Manning, City Manager
