Honorable Mayor and City Council
City of Canadian
6 Main
Canadian, Texas

Mayor and City Council:

In accordance with Texas Civil Statutes, I respectfully present the 2020 – 2021 Fiscal Year Budget for the City of Canadian as approved by the Canadian City Council on September 17, 2020. The budget beginning October 1, 2020, and ending September 30, 2021 provides for total revenues of \$ 6,658,527 and total expenditures of \$ 6,628,007. The 2020 certified net taxable value of property in the City of Canadian is \$ 125,941,354.00. The *ad valorem* tax rate as approved by the Council for FY 2020-2021 is \$0.717384 per \$100 of assessed valuation. The Sales Tax revenue forecast is substantially less than the previous year due to economic downturns caused by the COVID -19 pandemic. Accordingly operating expenses in nearly all categories have been reduced to address the anticipated revenue shortfall. The budget minimizes capital expenditures. The budget does not include increased cost – of – living allowances.

Major projects undertaken by the City of Canadian during FY 2019-2020 included the U.S. Highway 60/83 Utility Relocation Project, which will continue through this year. The budget includes utilization of Water and Wastewater Reserve Funds to finance the project. Council also approved a five – year water and wastewater rate increase that will enable eventual replenishment of the Fund and financing for a future capital infrastructure project.

Although the adoption of the rate increase will eventually restore the fund, it was necessary to utilize the General Fund Reserve to finance the replacement of an aged meter system with an automated system. The annual chip – seal paving program has been restored for this fiscal year.

Nevertheless, the FY 2020-2021 Annual Budget provides for all City of Canadian services; Staff is dedicated to operating within the reduced limits outlined in the FY 2020 - 2021 budget, and we are looking forward to the challenges that will present themselves throughout the upcoming year. It is our goal to provide optimum levels of quality service to the citizens whom we serve.

Respectfully Submitted,

Joe Jarosek, City Manager
